# A SPECIAL THANKS

I would like to thank Frank Winn who co-chaired the reunion committee with me. He let me know that he was available to take over my job should I die or become incompetent. He also allowed us to gather at his office every month for our meetings, and "volunteered" the help of his wonderful secretary, Pam, who spent several hours sending out email invitations to other classes. Many thanks to both Frank and Pam.

Thanks to Steve Trawick, who, I found out, knows everyone, and is married to Lucy, who was a great help throughout the weeks and months of preparation. I also want to thank him in advance for taking on the job of honoring our deceased classmates on Thursday evening, wandering through the ballroom with his microphone to solicit memories of our dear friends.

Betty Brewer Roberts did a fantastic job finding ads for our class booklet and I can't thank her enough. The committee needed every extra dollar we could get! And thanks to the classmates and friends who supported us with their ads.

Sandy Graham Fairchild collected vases and was responsible for putting together the floral arrangements for Thursday evening, assisted by Judy Wash Schanbacher and Yvonne Shell Cahoon. I appreciate their hard work.

Yvonne also assisted with contacting the printer for our booklet, lining up printing deadlines and cost estimates. Her dear friend, Buster Partin, was a great moral booster!

Judy Wash Schanbacher took on the job of contacting the Hampton Inn in Fairhope, arranging for a special rate for classmates attending the reunion. Many thanks to Judy for doing this.

Finally, I wish to thank Joelle Reese Gibson (PHS Class of '60) for her tireless efforts on our behalf. She took over the job of creating and maintaining our class website ([www.phs1961.com](http://www.phs1961.com)), put together the class booklet, and spent untold hours verifying addresses and locating missing classmates. She was a tremendous help, offering her time and her talents, and was always responsive to anyone needing her assistance.

I sincerely thank each of them for joining me on this journey. I could not have done this without their help, ideas, and support.

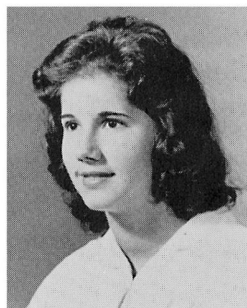

Thanks, thanks, thanks....

Yes, we now have a class website. It has been funded for at least the next five years, and we hope it will begin to be a gathering place that you will visit often to share your stories and to keep us updated on your lives. We will try to fill the website with as many photographs and memorabilia that we are able to find, but we need YOUR help to find them. We presently have several copies of the TIGER'S TALE on the site, but they are all from 1959-1960. We have none from our senior year. We hope that you will dig into your memory boxes for those old high school Polaroids stored in your closets or under your beds. If you live in the Pensacola area and have any items to contribute, we will gladly drop by for them, and we promise to make copies and return them to you right away. If you live out of town, don't be afraid to mail things to us. They will be returned as good as new.

We hope that you will use the website to rekindle old friendships, find lost friends, or make new friends. To reconnect and to refresh those memories formed in the halls of PHS so many years ago, and to remind you of that time and of all the people who shared it with you.

So go to the website and if you haven't done so already, register! Then if you change your address, there is a page on the website where you can let us know so we won't ever have to add your name to our "Missing Classmates" list. If you have questions or comments, you can reach us through the CONTACT US page.

Remember, our website is only as good as YOU make it. It is our hope that as you think back, you will reflect fondly upon those days we shared nearly sixty years ago. Now that we've found each other, let's promise to never lose touch again. That 60<sup>th</sup> Reunion will be here before we know it!
