JIMMY HAYNES

After serving four seasons as top defensive aide, Coach Jimmy Haynes moves into the head coaching spot for Pensacola High. No stranger to P.H.S. football fans, Coach Haynes was co-captain of Ernie Priest's 1940 squad.

The home grown mentor then went two years to Perkingston Junior College on a football scholarship before going into the service. Following his army tenure, he attended Western Kentucky on another football grant. During those two years, he played guard on the gridiron and centerfield on the ball diamond. He pursued his baseball career professionally for one season. He hit about .280 for Deland in 1947.

He entered the coaching and teaching ranks in 1948 at Russellville, Ky. High School. In three seasons as head coach he compiled a 25-5 record. From Russellville, Coach Haynes moved to Shawnee High, also in Kentucky, where his teams continued their winning ways.

In 1956, Coach Haynes answered the call for a defensive tutor at P.H.S. Returning home after a fifteen year absence, he showed his appreciation by molding some of P.H.S.'s stingiest defensive teams in a long time. When the Bengals became a two-platoon team in 1957, Coach Haynes' value was really stressed. In the last three years, the Tiger defensive squad, known as the "Headhunters," has yielded a total of 124 points; less than five points a game.

CHARLIE STOKES

Charlie Stokes is beginning his fourth season as offensive line coach for the Tigers. He is listed as Coach Haynes' number one assistant. Before arriving on the P. H. S. scene, the native of Graceville handled three other such coaching assignments. Stokes had an admirable college career, starring as a lineman on Tennessee's National Championship Team of 1951.

SHORTY WARD

Shorty Ward now devotes his full football time to instructing the defensive backs. The former PHS student starred in football and baseball here and at Western Kentucky where he was a teammate of Coach Haynes. The ex-baseball coach for the Tigers previously served eight years at Warrington Junior High. Coach Ward will help with the Bengal Cagers during the basketball season.

FRED WATERS

Fred Waters, whose name is known by all Pensacola sports page readers, joins the Tigers as defensive back assistant with the varsity. He and Coach Smith instruct the Baby Tigers. The ace southpaw of the Pensacola Angels pitched for the Pittsburgh Pirates in 1955 and 1956. The Benton, Mississippi, native played baseball, football and basketball at Mississippi Southern. The former Tate mentor is the Tiger baseball coach, also.

JIMMY SMITH

Jimmy Smith, in his second year out of college, handles the junior varsity with Coach Waters and helps the varsity offensive ends. The twenty-four year old native of Winchester, Tennessee, coached last season at his old high school, Franklin County High. In his college days at Mississippi and Tennessee Tech he played in the backfield. Coach Smith also scouts for the Tigers.
