JIM SCOGGINS, Head Coach

Generally recognized as the top high school football coach in Florida, Coach Jim Scoggins is in his 10th season as head coach at Pensacola High. Through the years, his Tiger teams have compiled the enviable record of 74 victories, only 16 losses and 4 ties.

Two teams—the PHS elevens of 1953 and 1958—won the mythical state championship, and a host of Scoggins-coached players have gone on to perform in the college grid ranks. Dave Hudson and Lamar Rawson, PHS graduates of 1956 are team captains at the University of Florida and Auburn, respectively, this year.

Fifteen of his players have received all-state recognition, 3 all-Southern and 3 All-America honors in high school circles. Hudson, Ed Sears (Florida) and Billy Jackson, tailback on the undefeated 1958 team, were distinguished by selection to each of these mythical teams.

Coach Scoggins was an all-around athlete at Vanderbilt University, where he later returned as a member of the coaching staff under the late Coach Henry (Red) Sanders. He and Alabama's fabulous coach, Paul (Bear) Bryant, were members of the Vandy coaching staff at the same time. While serving in the Navy during World War II, he was associated in a coaching capacity with the famed Iowa Navy Pre-Flight Seahawks.

CHARLIE STOKES

Charlie Stokes came to FHS as offensive line coach in 1957. This native of nearby Graceville is well qualified to teach the single wing offense, having starred as an offensive tackle on Tennessee's national championship team of 1951. He has three years experience as a head coach.

JIMMY HAYNES

Jimmy Haynes, one of three former Tiger football players now on the PHS coaching staff, is in charge of the defensive team. He is in his fourth year as a Tiger assistant coach after several seasons as a successful head coach in Kentucky high school circles. Coach Haynes was a guard and team captain at Western Kentucky.

SHORTY WARD

Shorty Ward coaches the Tiger Scout team and also aids the varsity coaching staff by devoting part of his time to the defensive backs. He is remembered as one of the best passers in the history of Pensacola High and later played as a teammate of Jimmy Haynes, another PHS assistant coach, at Western Kentucky. He is also head baseball coach.

PAT SHIRES

Pat Shires is a Tiger assistant coach who devotes full time toward developing PHS' single wing attack. A native of West Virginia, the Tigers' offensive backfield coach was a triple-threat tailback at Tennessee. He and Charlie Stokes, PHS' offensive line coach, were teammates on Tennessee's 1951 Cotton Bowl and 1952 Sugar Bowl teams.

JOHN OELERICH

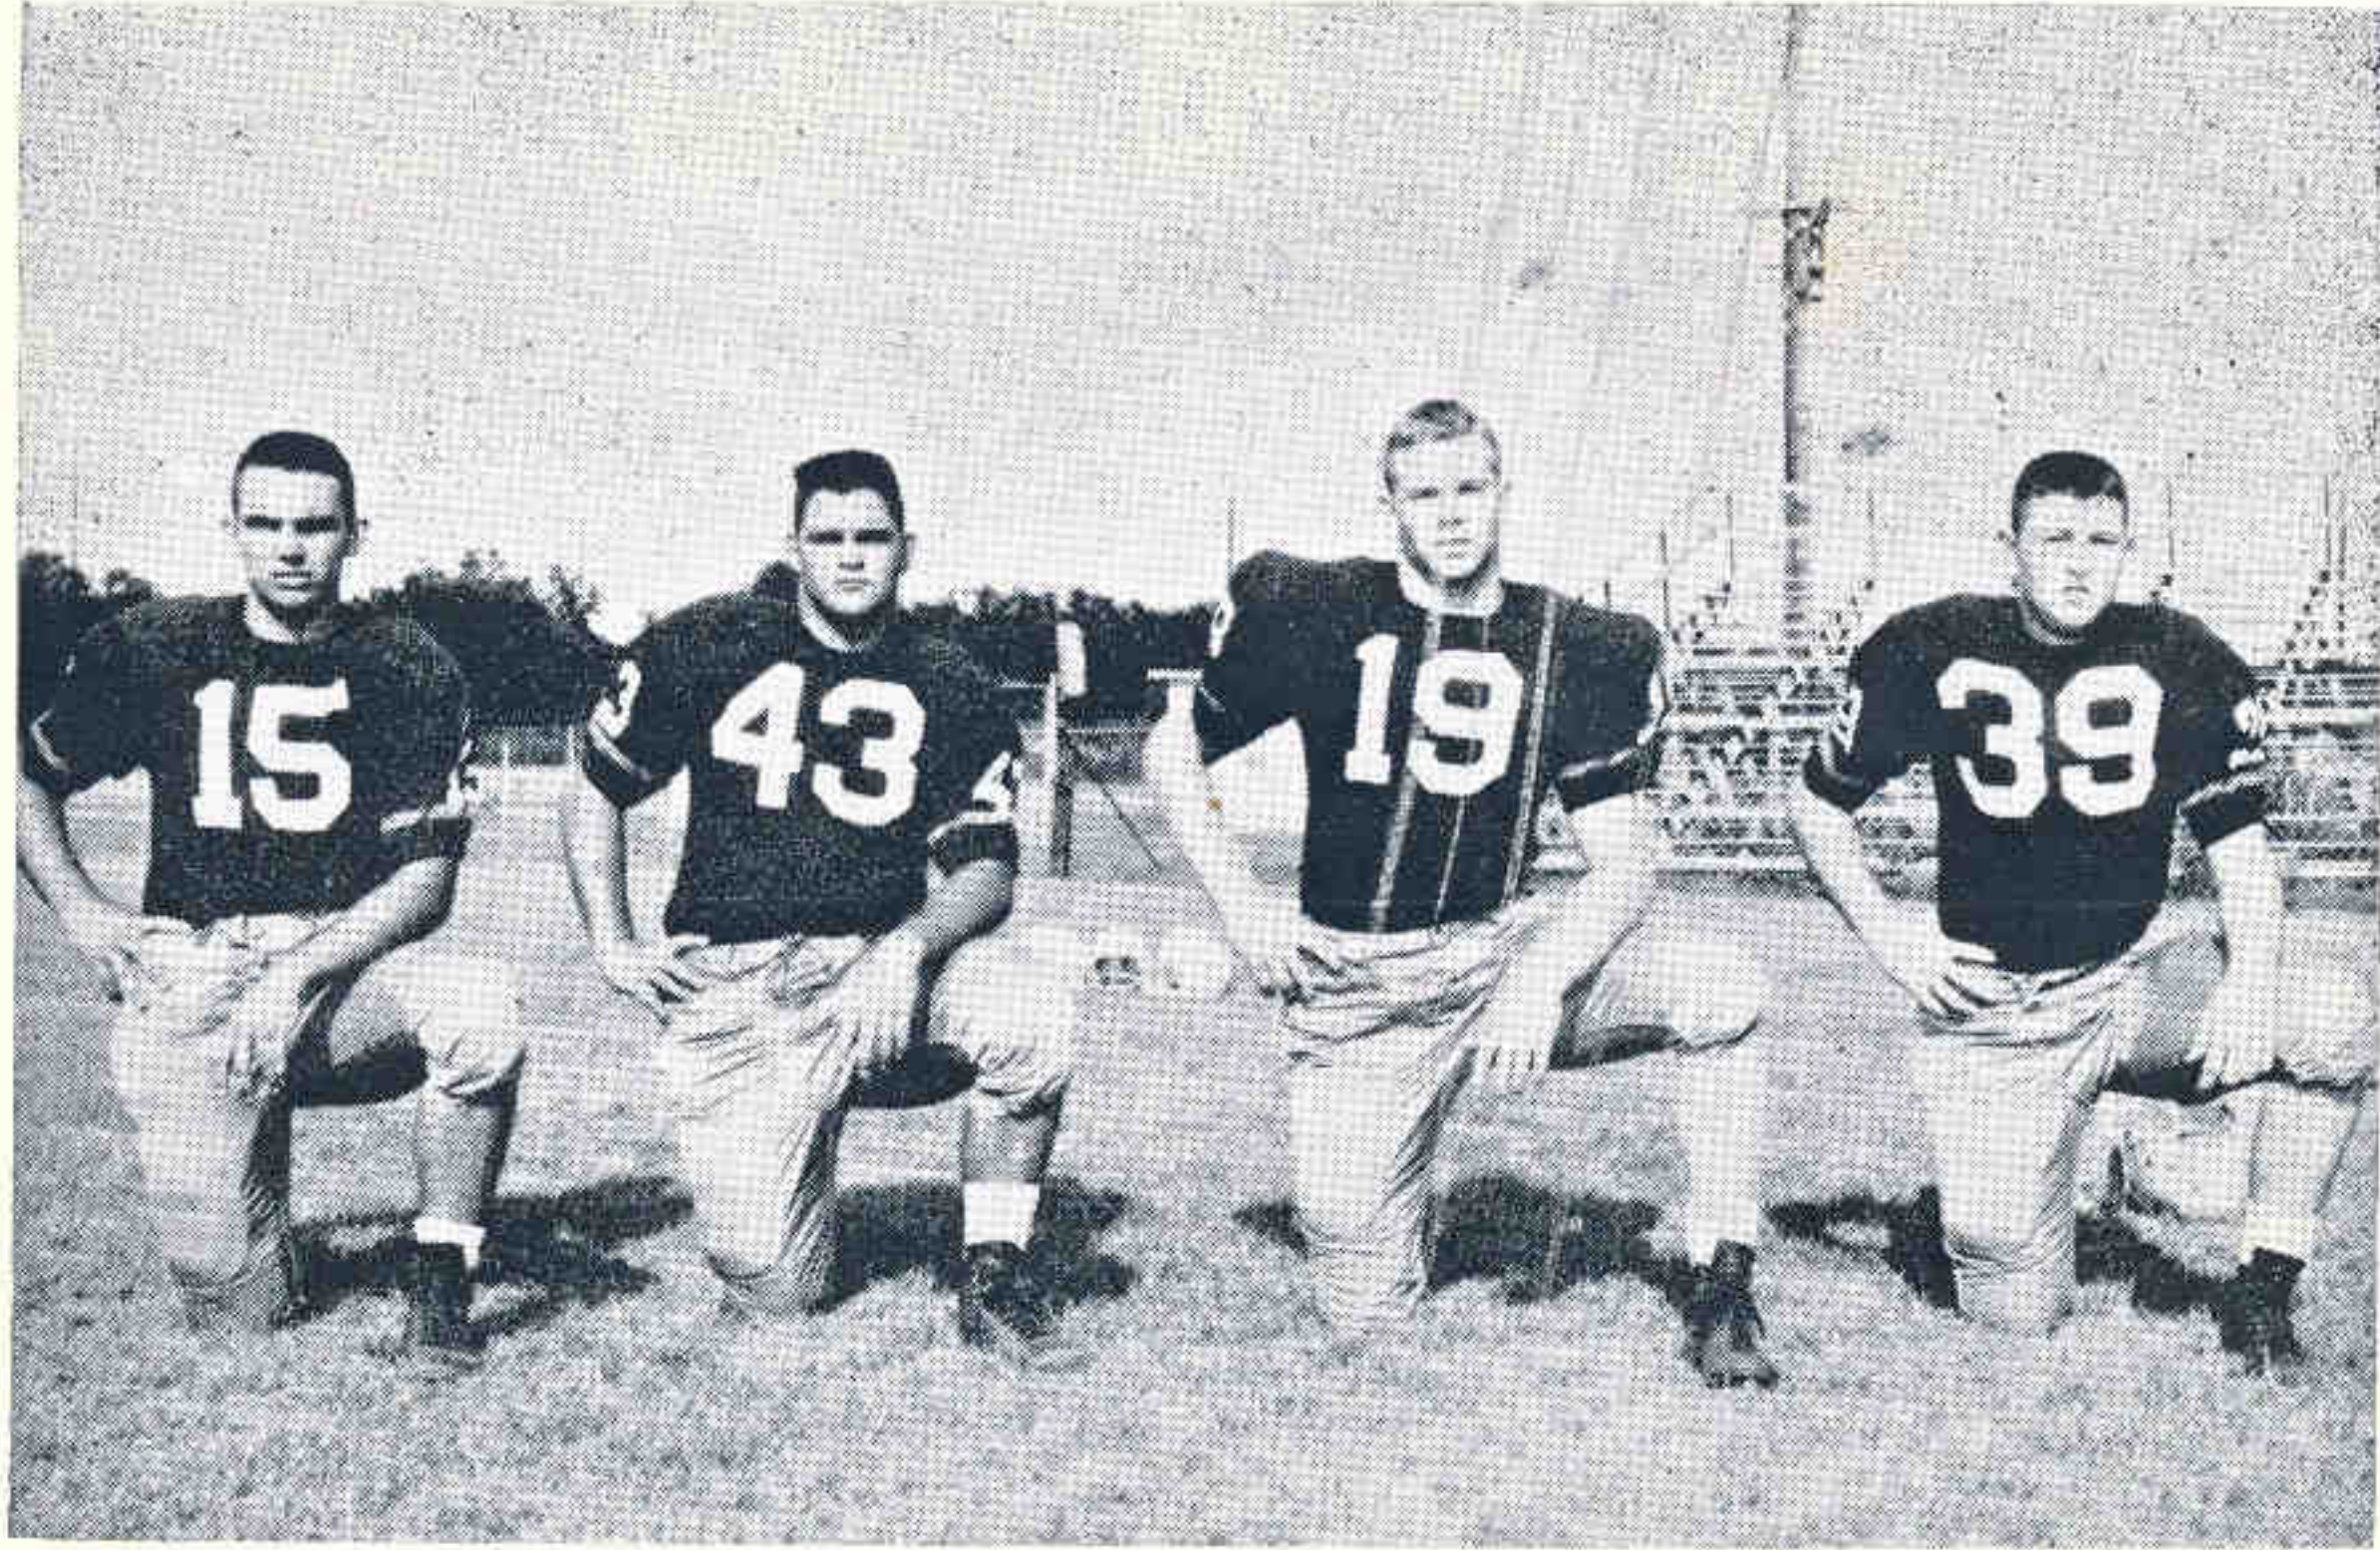

John Oelerich is the senior member of the PHS coaching staff, joining the Tigers in 1953. He coaches the Baby Tigers football team and then devotes his time to the PHS track team in the spring. He played professional football with the Chicago Bears and Pittsburgh Steelers.

PETE McLEOD

Pete McLeod is an assistant coach who works primarily with the Tiger end corps. This job comes naturally for the native Pensacolian, who manned an end post for the Tigers and later at Tampa University. He is a former professional baseball player in the St. Louis Cardinal organization.
