### GHHS Study Hall

This undated photograph is from a recently acquired collection of memorabilia from the GHHS office. From the style of clothing it appears to date from the 1950s. It shows students listening intently to military recruiters in the large study hall originally present on the second floor of the high school. An army sergeant is addressing the students while a marine recruiter and an Air Force Staff Sergeant sit in the background. Recruitment speakers are still part of the GHHS experience. During this era the study hall was a mainstay of the high school schedule, and was a hub of activity both during and after school.

## President's Letter

Dear Fellow Bobcats:

Thank you for sending in your dues and contributions! GHHS Alumni are extremely generous and we appreciate your support.

Three new Distinguished Alumni were recently inducted bringing the total to 27 over seven years. All nominees not yet honored will be considered in future years. We thank all who submitted nominations and congratulate this year's honorees.

I am honored and humbled to serve as your newest GHHSAA President. The previous presidents' shoes will be hard to fill. The association originated in the 1920's and 1930's, but was unable to sustain momentum and operate continuously. The current GHHSAA was incorporated in the State of Ohio in 1981 with its first president Bob Keitz '39 doing a wonderful job for more than six years. Stan "Bucko" Jones '51 took the reins for most of the next ten years. He organized alumni participation in the Grandview Heights Memorial Day Parade and the Alumni Night football games. He was instrumental in soliciting donations to continue the newsletters and GHHSAA scholarships. Gunner Riley '59 was the third President. He brought the association into the computer age, planted the seeds for Distinguished Alumni recognition and started involving the GHHSAA in current school projects. Ron Harris '56 has served the last four years and played a major role in the GHHS auditorium renovation, getting the website <http://grandviewheightsalumni.com> online, upgrading the newsletter, starting the Legacy Society and basically being a real hard act to follow. I salute each and every one of these men and their board members for their hard work, dedication and love of Grandview Heights.

Now, what can I do? Most people know that I can do a little bit of everything, but am not great at anything except perhaps organizing. The GHHSAA Board has many great meetings throughout the year and every meeting produces great ideas. In most cases, we have the funds to pursue those great suggestions, but we rarely have enough volunteers to execute the plans.

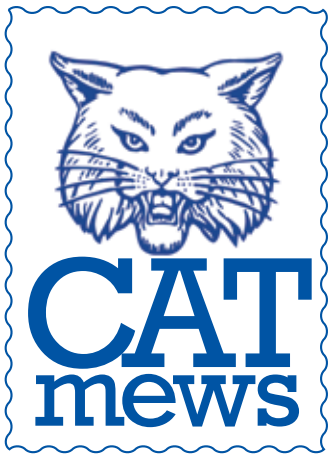

I need you! Please join our GHHSAA Volunteer Group. Could you help re-establish the Alumni vs. GHHS Faculty Basketball Game? Could you be the main contact for your graduating class and help us maintain your classmates' contact information. Are you out of town? Would you like to start a GHHSAA group in your city or state? What do you think about having an annual Alumni Talent Show? Let me know how you think the GHHSAA should serve the City of Grandview Heights, the schools and, most importantly, the alumni.

The GHHSAA is YOUR association and it's a great association. Let me know if you can help make it even better for everyone.

Go Bobcats!

Tom Smith '63

**Constance Zeller Hollingsworth '40**

Moved to Perry, OH this past August to live with my daughter. Now close to my three children and will be great-grandmother soon. Celebrated my 90<sup>th</sup> birthday this past August. Am still driving and enjoying life. My daughter's friends all call me "Mom." Hope to get to Columbus to attend a Friday Alumni luncheon. Would like to see some classmates. Had many good times at Grandview schools. Played piano all through high school in the orchestra.

**Jeanette Tarney Thouvenin '43**

Have been retired 20 years as Director of Planning at Aultman Hospital, Canton, OH. I still live independently in the house we built when I married. Husband Glen died in 2002. Have a stepson and daughter-in-law and two grandchildren.

**Joanna Harper Bartholomew '44**

Bill and I are doing well. Not a lot of golf these days. Sons David and Tom are in Circleville and Powell, OH and doing very well. Daughter Nancy is in CA and JoEllen is in SC. I'm very

proud of them all and their families. Six grandchildren, two greats and two more on the way! Wow – good genes!

**William M. Ritter '44**

Still active at 86. Stay in contact with my sister, Carolyn Kellenberger '58 who is in Gahanna.

**Al Andrews '45**

I am a life member and I also paid annual dues last November. This extra donation can be an additional gift to the GHH-SAA. I think the newsletter and GHHS are great. I enjoyed the article on Bob "Nero" McNabb '45. He and I were Rook pledges together in 1943. Gene Karlovec '45 was my big brother. I keep in touch with Nero who is a super friend. The Rooks were a great bunch of friends and a great organization. After serving in the Air Force as a tail gunner, I became a bricklayer and at the age of 40 I started a general contracting company. It grew to be the largest in Lorain County for many years. I would like to say hello to Helen Lindsey Bonnie '46 who was a lovely girl and my first love.

**Shirley Arthur Hatch '45**

Still active in Alumni Luncheon every 4<sup>th</sup> Friday of the month except November and December at the Hometown Buffet. I encourage all alumni to attend

for fellowship and good food. Come and enjoy. We have had many plan visits to Grandview to be able to attend the luncheon.

**Jo Ann Latimer Knellinger '45**  
Wonderful to receive newsletter. See so many names of people that I certainly remember. Can't wait for the next issue.

**Dick Seiple '45**

Music foundation based on GHHS Band for which I am grateful. Five years OSU band and alumni band. Sixteen years playing HARP. Now play at Riverside Hospital weekly and occasionally at Grandview Library.

**Bob Skeele '45**

My wife Joan died this past September an hour after my arrival at the memory care facility in a nearby town. It was as if she had been waiting for me to say goodbye. Five days later, we celebrated our 61<sup>st</sup> wedding anniversary at the same facility among Joan's fellow residents and caregivers. It was a joyful time. She was buried the next day with full military honors. I'm naturally saddened by the loss, but grateful for the many years we had together.

**Dolores Todd Sullwold '45**

Husband Chet retired after 64 years at Toledo Blade newspaper.

**Nancy A. Young Orr '45**

Three years ago I moved from my home in Oxford, MD to the Londonderry Retirement Community in Easton, MD where I was recently elected President of the Board of Directors. I teach water aerobics at the Y three days a week and am active in the Worship Committee of my Unitarian Church. Try to find time to pursue my love for oil painting and love to travel – this past summer by Amtrak to Glacier National Park and a week exploring its grandeur in a Road Scholar program – my 33rd.

**Bill Arthur '46 &**

**Diana Gonsor Arthur '48**

We're celebrating our 7<sup>th</sup> (not 70<sup>th</sup>) anniversary and are delighted to live in great Grandview Heights. Diana's youngest grandchildren, Liza and Will DeVere live nearby and attend Stevenson and Edison schools just as she did.

**Janet Houston Spangler '46**

Now living in Dixon CA outside of Sacramento and next door to our older daughter and her husband! It's great! Still remember so fondly all the great years at GHHS and especially all the great friends from there! Think of it every day!

**Lee Davis Goldenbagen '47**

Our graduating class enjoyed a small 65<sup>th</sup> reunion get together this summer. Those attending had a great time. Also enjoy seeing many friends from high school years at the monthly luncheons.

**Nanette "Chris" Harper Hummel '47**

Dave and I are still enjoying life in San Luis Obispo, "the happiest city in America" according to some! We chalked up our 60th anniversary in June. We count our blessings – great family, good health and the ability to continue tennis and golf. Three grandkids in college, one in law school and one 8<sup>th</sup> grader.

**Ed Mantell '47**

Retired 17 years. Enjoy playing golf three days a week with friends. Health is good for 83 years of age. Big hello to Bill Wilson '48.

**Pat Sharp Brown '47**

All is well! We live adjacent to Stanford. Would like to see Grandview friends if you get out west.

**Jackie Day Cherry '49**

Still serving as historian for First Community Church and enjoying life in the Tri-Villages after a peripatetic career as an Air Force wife. Such fun to reconnect with classmates and old friends at the monthly GHHS alumni luncheons. Our son, daughter and four of five grandchildren are in town as well.

**Bill Hammond '49**

I keep busy doing pottery on the wheel and analyzing archaeological material from an excavation I led a number of years ago. Right now I'm looking at tiny arrowheads from the dig. They are probably toys. Some are finely made, probably by a teacher, while others are crude, perhaps made by a child. I've also fallen in love with a retired nurse. I'm robbing the cradle; she's only 76.

**Marilyn Sorensen Findlay '49**

I'm glad that your fall contribution plea has helped cover operating expenses and benefit the endowment fund! You do a great job making the newsletter a "good read." If all goes well, my husband, a North High Polar Bear, and I will celebrate our 60<sup>th</sup> wedding anniversary next June!

**Gladys Anderson Randolph '51**

I'm keeping busy going to breakfast or lunch with friends, working with T.W.I.G. Bazaar and attending meetings with Mid-Ohio Classic Car Club. I have a '55 Chevy and have been in the Grandview Parade for several years. In fact, I won an award this past Memorial Day weekend. Look for me next year – blue & white '55 Chevy!

**Robert (Bob) T. Taggart '52**

Live in Hilliard. In real estate with my two sons and one daughter. Have seven grandchildren.

**Connie Myers Holl '53**

Thanks for all your great work. Really enjoy the newsletter.

**Greta Anne Townsend Heughebart-Humphries '53**

Started the year in Florida and hope to return after January. Glad the farmers market is over for the year. Continue to sing with the 70 member Vintage Voices of Granville and to enjoy Lake Erie aboard our boat. We are approaching 60 years from GHHS. Hard to believe!

**Ralph W. "Andy" Anderson '54**

Every month brothers Dick '56, Dennis '60, David '66 and I have lunch together. Usually in or near Grandview. We are constantly remembering boyhood stories of growing up and attending school in Grandview. Wonderful memories.

**Bob Sharp '54**

Amazing! I am now living in the Minneapolis neighborhood of Edina-Grandview Heights with my wonderful wife of 51 years, Judy. I am a volunteer for Inner City Tennis, coaching kids from three to 18 years of age and playing tennis three or four times a week. Judy says I have finally found my calling! We visited Sarasota last March and had a wonderful time with Ann and Andy Anderson, and Bob and Barb Hall. It was so much fun that we think we will go back this coming year.

**Kay Thurness Levering '54**

I'm very sorry to say that our niece, Julie Kennedy '76, passed away July 26<sup>th</sup>. She played basketball, ran track at GHHS and was a band member. She was a lover of animals and the great outdoors. Her mother was Judy Thurness Kennedy '54 class, now deceased. Julie leaves siblings Brent '78 and Laura '80.

My sister Marcia Thurness Weaver '47 and I are also sad to report the sudden passage of our dear brother Jack "Chic" Thurness '66 this past August.

Celebrating decades of friendship, these Class of '84 women enjoy an afternoon together: Heidi Harris Varner, Jennifer Wilcox Vilarde, Stacey Smith Sterniker, Carrie Capuano O'Mara, Melanie Headley and Pam Bandy Martin

Some of his classmates may remember Chic as the lead vocalist in the rock group The Chapperells. They played many dates including college frat parties. He has two daughters, Amy '89 and Carrie '94, and two grandchildren. Chic was also decorated Vietnam Vet.

**Virginia Alban Clarke '55**

Still living in Gahanna. Enjoy reading alumni newsletter. The staff does a great job of producing a first class newsletter.

**Bill Fink '55**

Please explain how GHHS Football can be heard on Internet, then repeat the information before each football season. Thanks. Go Bobcats!

Editor's Note: Visit the Bobcat football website at <http://www.ghfootball.com/>. On the right hand side, there is a "Listen Live" link. Clicking on this link will take you to the audio stream page if there is an active broadcast occurring.

**Carolyn Welch '55**

Still kayaking, hiking, biking, skiing and playing tennis. Traveled this year to SE Asia, Norway, California and Seattle. Going to Galapagos and Peru with Elaine

Looker Strutner '55 late in 2012. We are so lucky to be alive and well at 75! Looking forward to our 60<sup>th</sup> reunion in 2015.

**Roland "Rick" Yearick '55**

Toured South Africa in October 2012: Zambia, Zimbabwe, Botswana, Victoria Falls and Capetown! Shooting lions and elephants – with my camera!

**Barbara Brown Alton '56**

We have just returned from a month of travel in our RV. We are enjoying retirement and love camping and meeting new and old friends. Very grateful to have grown up in Grandview and still in touch with friends made there in school.

**Lynne Fulmer Hutchison '56**

Enjoying retirement in Vero Beach, FL! Continue the great job on the newsletter!

**Joan E. Mercer '56**

Enjoying retirement. Still living where I grew up on Lincoln Road.

*continued on next pg.*

**Barbara Ten Raa Brunell '56**

Still working as regulatory compliance manager for laboratory services of John Muir Health in Walnut Creek, CA. Take walks on near-by trail most every day. Glad we don't have sleet and snow here! Enjoy your communications Thanks!

**Carolyn Rudy Jensen '57**

We've temporarily given up pet ownership so that we are free to travel. Enjoy volunteering at Columbus Museum of Art. We have a group of Broadview Avenue residents – Elaine Looker Strutner '55, Jane Hess Harris '56 and me. Lots of fun challenges.

**Suzie Buchanan Clemens '59**

Enjoyed a mini-reunion with several ladies from the Class of '60 at the Vermont home of Vicki McNabb Wheeler. Thanks to Susan Fries, Judy Kelchner Shortle, Dorothy Cofer Parkin, Jolene Lancaster Plunkett, Sharon Pittenger Mirick, Peggy Copp Cullen & Vicki for including this old "upper classwoman" in the fun. You all do make a joyful noise!

**Joe Arganbright '61**

Celebrated 50<sup>th</sup> anniversary in September with wife Judy Such Arganbright '61. I'm in semi-retirement after 45 years in the insurance business. Judy still enjoying being grandma to seven. I enjoy the monthly alumni luncheons where I am always the third youngest in attendance.

**Bill Harding '61**

I retired in my 30<sup>th</sup> year at Union Hospital in Dover, 27 years as President and CEO. I'm currently serving as Interim CEO at Personal & Family Counseling Services, a behavioral and mental health agency in New Philadelphia. Daughter and son-in-law, Emily and Kyle Gephart are living on Broadview between First and Third and have a future Bobcat, Grace, age two, and expecting Anne in November. Thanks for the great work

on the newsletter and alumni association.

**Barbara Hertenstein Arvin '61**

Still living in Colorado Springs, We were not impacted directly by the fire this summer, but we did have embers and soot coming down on us and it was very smoky for a while. We went on our first cruise last May – a Disney cruise with our older daughter and her family – such fun! Still keeping my nursing skills sharp by volunteering at a free clinic here in town.

**Kay Jones Rietz '61**

With four grown children and six grandchildren, we are often on the go. Though Bill and I are retired high school teachers, Bill still coaches high school swimming in the winter and for the Parks and Rec during the summer, and I am a docent at the Columbus Zoo & Aquarium. A trip to Rwanda to visit the mountain gorillas has added to my love of the gorillas. Also enjoyed my 50<sup>th</sup> reunion in 2011.

**Linda McCall Ireland '63**

I'm looking forward to our 50<sup>th</sup> class reunion. Coming back to Grandview always brings back wonderful memories. I'm retired now. Now my students are having children and becoming grandparents! Enjoying retirement, great traveling and tutoring adult basic learning classes.

**Denyse Smith Everett '64**

I am still up here in beautiful Traverse City, Michigan. Retired from Northwestern Michigan College two years ago and really enjoying retirement. I am involved in a number of volunteer groups and lately added a new sport to my agenda: Pickle Ball. It is really a lot of fun and not necessarily for "old people." My son Andy and wife Cindy on Long Island are going to make me a first time grandmother. Darrin and Mary Jo have added another puppy to their family in Boise, Idaho and they love it out

there. (I still don't get the "blue field"). With some additional Ohio friends and fans in the area, we are trying to revive the OSU Alumni Club here in TC. I think there are quite a lot of "transplanted Buckeyes" here like me! Best regards to everyone from the Class of '64. Wish I could talk folks into visiting up here sometime.

**Mary Martha Walborn Churchman '64**

I retired in June from the Federal Transit Administration, U.S. Department of Transportation, after 35 years of federal service. I've adopted the mantra "Living Free Range" and find every day spontaneously filled with activities – practicing the organ and playing for Sunday services occasionally, studying German 101 at the local community college, gardening, writing posts for my blog, working a political phone bank, playing mother-of-the-bride for my oldest child's June wedding and trying to stay in shape.

**David E. Williams '64**

Retired in 2011 from ER nursing at OSUMC. Hospital wanted me back so now working two days a week. Continue to see the world via cruise ships. Cruise out of Singapore in January and then first riverboat cruise out of Budapest in August. Very blessed. Hoping we have a reunion in 2014 for our 50<sup>th</sup>!!

**Karen Devor Linn '65**

Enjoying my "wildlife habitat" backyard with native trees, flowers and shrubs in Westerville.

**Linda Pulliam Sayers '65**

Thank you so much for the wonderful newsletter you provide for the appreciative alumni. The Class of '65 celebrated 65 years at the Grandview Cafe last June. It was the night of the big storm.

**Jim Wiley '65**

Greeting Folks! This chapter in life is about music as I play ukulele in four different groups, bass in a rock & roll band and sing bass in our local community chorus. It is also a time of travel. Debby and I spent three weeks this summer in Eastern Europe singing with the Kona Chorus in some spectacular old cathedrals in Prague and Vienna. We send our best to the Class of '65, wishing health and happiness and hoping to see you next reunion.

**Ed C. Malowney '66**

Retired and love living in the sunny south. Give us a call if you head our way.

**Margaret Lyons Harden '67**

Bob and I were married in 1973, had three children and are now enjoying retirement. Our daughter, husband and two darling grandkids live in Salt Lake City so our vacations are out west.

**Susan Washam Witten '68**

I am still in education administration and active in arts education initiatives. One son is a chef in Oregon and the other a scientist in South Carolina. I also have two fabulous grand girls.

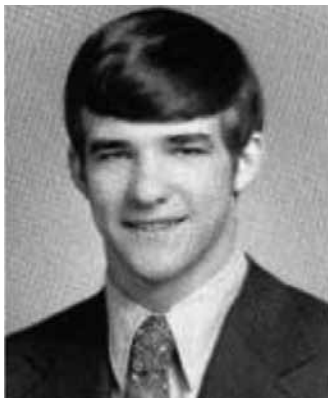

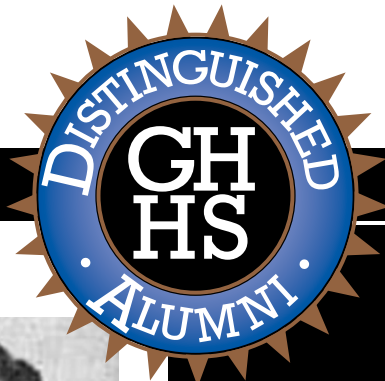

**Lynn Winters Lauderback '74**

Always so proud to be from Grandview! My own class member Teri Antolino Williams '74, vice president GHHSAA, is such a huge advocate for the district and is a very positive role model for all who care to see! I admire her energy and dedication to the Grandview community!

**Michael J. Rill '01**

First home in Dublin. RIP friend and classmate Robb Kingston '00. I am currently working as a General Manager with CEVA Logistics at Honda Marysville, OH.

# Distinguished Alumni

Eric Browning '72, a surgeon and health humanitarian currently living in Findlay, Ohio, has conducted five surgical mission trips to the Univers Medical Center in Ouanaminthe, Haiti. Eric specializes in general surgery, thoracic surgery and surgical oncology at Findlay Surgical Associates Incorporated. He has spent a large amount of his personal time and resources to conduct these mission trips to this rural town in northeast Haiti, the results of which have benefitted hundreds of people.

Dr. Browning earned his medical degree from The Ohio State University College of Medicine.

Jean McQuilkin Carfagno '57 is a founder of the Chemical Dependency Treatment Center in Torrance, California, now known as the Thelma McMillen Center. This center is one of the highest endowed chemical dependency treatment facilities in California, second only to the Betty Ford Center.

Jean is the director of the multi-month outpatient chemical dependence program. In this capacity, she conducts family groups, lectures and interventions. She is also responsible for case management, HMO contracts, employee training and evaluation. In conjunction to her partnership in the McMillen Center, Jean serves as an adjunct faculty member of the Graduate School of Psychology of Antioch University in Los Angeles, California, where she teaches addiction studies classes. Jean has also served as adjunct faculty at Mission College of Sylmar, California and at Lindenwood University West.

Morgan Jones '45 was an American film and television actor. His acting credits of more than 170 roles in television include reoccurring appearances in *Highway Patrol* and *The Blue Angels*. His approximately twenty-five screen credits include a lead role in the 1957 science fiction film *Not of This Earth* by Roger Corman, *Apache Woman* in 1955, *Forbidden Planet* in 1956, *Fear Strikes Out* in 1957 and *Bells Are Ringing* in 1960.

In the 1945 GHHS *Highlander* yearbook, Morgan bequeathed his bottle of hair tonic to Ross Green.

Born in Wooster, Ohio, Morgan enlisted in the United States Navy after graduating GHHS. He was stationed at Naval Base Coronado and relocated to Hollywood to pursue acting after leaving the Navy. His first professional acting role was a small part in the 1952 musical *Singin' in the Rain*. Morgan Jones died in Tarzana, California, on January 13, 2012, at the age of 84. He is survived by his son and granddaughter.

GHHSAA created the Distinguished Alumnus Award to recognize and honor those GHHS graduates, living or deceased, who have achieved extraordinary success in their chosen careers and fields of expertise. Those honored serve as great role models for current students.

Typically, at least four Alumni are recognized each year.

Who would you recommend for this award?

See form on page 9.

Who would YOU recognize for one of the GHHS Distinguished Alumni in 2103? See form on p 9.

# Bobcat Inducted into Ohio Senior Olympics Hall of Fame

This past July, Sid Hall '53 was inducted into the Ohio Senior Olympics Hall of Fame in Cleveland, Ohio.

Since 1993, Hall has qualified for and competed in eight National Senior Olympics Games held in the cities of Baton Rouge (2), Tucson, Orlando, Norfolk, Pittsburgh, Louisville and Houston. Competing in swimming freestyle, breaststroke, and backstroke events, he has won 11 gold, 11 silver and 2 bronze medals while establishing five age-group records. His record in the 100 freestyle stood from 2001 to 2009.

In other national and international events starting in 1991, Hall has competed in the YMCA Master National Championships, the United States Masters

(USMS) National Championships, and the World Masters Championships in freestyle, breaststroke and backstroke winning 19 gold, 33 silver and 20 bronze medals. In USMS age-group competitions, Hall has been ranked in the top ten in the nation in one or more events every year but one since 1991.

As a member of a championship 200 Meter Relay Team, Hall owned two world records. These occurred in the 1992 World Masters Swimming Championships and the 1994 Great Lakes Zone Championships, both held in

Indianapolis at the IUPUI Natatorium.

In the State of Ohio Masters Championships, Hall has won 64 gold, 17 silver and 4 bronze medals.

Hall's swimming career started during his Bobcat years when he was a two-time state champion and high school All-American swimmer. He picked up the sport again 37 years later at age 55 when motivated by a fellow church member to enter the Senior Olympics.

And he's not leaving the pool quite yet. Sid recently qualified in five events for the 2013 Senior Games. They are the 50, 100, 200, and 500 yard freestyle events and the 50 yard backstroke.

Since 1986 Hall has served The Ohio State University at Mansfield in several capacities including as a lecturer in accounting and finance and as Program Manager for the Fisher College of Business program during its formative years on the Mansfield, Ohio campus.

In addition to Hall's full calendar of athletic competitions, he has always found sufficient time to engage in many professional, civic and church related activities.

Way to go, Sid!

## Musical Alumni

Class of 2005 graduate Evan Oberla is a trombonist, composer, beatmaker, educator, #tripleddipper and more.

Evan started playing piano and guitar at an early age. In 5<sup>th</sup>

grade he picked up the trombone for the school band. In high school his musicality led him to participate in multiple jazz ensembles including the acclaimed Columbus Youth Jazz Orchestra. After GHHS, Evan graduated in 2009 from The Ohio State University with a degree in Jazz Studies Performance.

Evan started touring with national recording act O.A.R. in 2011. He continues to perform as part of the #tripleddip horn section. Evan recently started a new group, the Evan Oberla Project (EOP), and they are working on an album. He has spent much time on the Columbus music scene playing with many well-known local

bands and has also shared the stage with Spoon, Wyclef Jean, Cris Cab, Wes "Warmdaddy" Anderson, Jacob Fred Jazz Odyssey, DJ Logic, Kelley James and Robin Eubanks.

He has opened for national acts such as Trombone Shorty and Charles Walker and The Dynamites. Evan has led a couple of bands such as the RFG Quintet and Trio of Fury, and he ran a weekly jam session at Ruby Tuesday (music venue, not restaurant chain) that serves as a creative platform for many talented local musicians. We wish Evan the best as he continues his musical career!

# Soup and Bread

Current GHHS student Cecylia Luckenbach foreground and Trisha Janusz Keels '91 background

It started as a friendly cooking contest between Grandview sisters Megan Janusz O'Connor '84 and Tricia Janusz Keels '91 and it evolved into an Internet blog and radio show called No Chefs Allowed. Then the radio show featured a guest, Martha Bayne, who had started the Chicago charity event "Soup and Bread". After hearing about Soup and Bread, Tricia flew to Chicago, where Megan now lives, so the sisters could attend and contribute together. And then Tricia decided to bring Soup and Bread home to Columbus.

Columbus Soup and Bread launched this past October and is held the first Tuesday of each month from 6-8pm at the Woodlands Tavern in Grandview, owned by Grandview graduates Jimmy Woodland '96 and Jason Woodland '98.

Guests mingle over a hot bowl of soup courtesy of professional and amateur cooks – musicians, bloggers, farmers, writers, restaurateurs, parents and friends – all with a pot to share. Diners contribute to the Mid-Ohio Food Bank in the Donation Crock Pot.

"I love this concept because you can't make soup for one," Tricia said. "And this is the perfect way to share with the community. The diverse group of people who come together are as interesting as the ingredients they choose for their soups. I really hope to build a fun and sustainable event that will bring help to people in need for years to come."

For more information go to [www.nochefsallowed.com/columbus-soup-and-bread/](http://www.nochefsallowed.com/columbus-soup-and-bread/) or just show up at Woodlands and experience it for yourself. Contact Tricia at [nochefsallowed@gmail.com](mailto:nochefsallowed@gmail.com) if you have a soup you want to contribute.

# Rook Book

By Tom Smith

A friend of Brotherhood of Rook Ron Harris '56 found an old notebook for sale at a Grandview garage sale. Knowing Ron was a Rook, the friend paid \$2.50 and gave Ron the book.

When Ron opened it and began to read, he knew its value was priceless. The book has nearly all of B of R weekly meeting minutes from 1927 to 1931. Historic Brothers Ted Eaton, Herb Decker, Frank Higgs, W. Ed Bogen and many others are mentioned in the book.

Meeting notes included:

- Meetings called to order by Most High
- Ritual (most often dispensed with)
- Roll call and call for dues
- Committee reports: Old business and New Business
- Skunks brought up and returned
- Adjourn

Pages contained discussions of who to pledge, who was on probation, renting out the house for \$6 or more for Election Day, card parties, dances and expenses. Prices for food purchased on March 5, 1927 were:

- |                    |        |
|--------------------|--------|
| • 1 jar mustard    | \$0.13 |
| • 4 loaves bread   | \$0.44 |
| • 2 lbs. sugar     | \$0.16 |
| • 9 lbs. ham       | \$1.75 |
| • Cakes            | \$0.72 |
| • Total            | \$3.10 |
| • Amount collected | \$0.75 |

---

“Smoking - 1 swat from each Brother present and 1 Black mark.”

---

The most impressive of all the meeting notes was dated Jan. 6, 1929:

*Three amendments were presented for vote. They after being passed three times are to be added to the Constitution. They are as follows:*

1. Brothers that are out for school teams go under the Skunks rules for training and receive the same penalty of swats for the violations of the foresaid rules

- Br Frantz, Br Bogen, Br Niple.

2. Skunk Swats

- a. Smoking - 1 swat from each Brother present and 1 Black mark
- b. Drinking - 2 swats from each Brother present and 2 Black marks
- c. Grades -
  1. F's - swat for each F over 2 F's inclusive. 12 F's 1 Black mark
  2. U's - 5 swats for each U. 3 U's 1 Black mark.
- d. Gambling - 10 swats for each time caught and 1 Black mark
- e. Failure to wear pin - 2 swats each time. 3 times 1 Black mark
- f. 7 Black marks suspend Skunk. 2 after this puts them out
- g. Meetings missed unexcused - 5 swats and 1 Black mark

3. Skunks must be passing in all subjects within the last 6 weeks of their pledge service and if not the Skunks are under suspension until this takes place.

*Moved and seconded meeting adjourned.*

# CLASS of 1962 MEMORIAL SCHOLARSHIP

## Brotherhood of Rook Skunk Tie

Brotherhood of Rooks Bob Andrews '43 sent his SKUNK tie to Tom Smith for safe keeping. He thought this picture might bring back some great memories and "hot" seat-of-the-pants nightmares.

Bob probably wore this tie before WWII started. He said his mother sewed on the SKUNK letters.

Thank you Brother Bob!

Classmates collected donations for the Class of 1962 Memorial Scholarship totaling \$2,000 and it was awarded to Elaina Vimmerstedt. Elaina carried a 4.07 GPR, played sousaphone in the band and was squad leader. She was a member of Key Club, serving as secretary junior year and vice president senior year. She participated all four years in Science Club, Student Council and as a member of the track team, and for three years on the swim team. She is attending Wittenberg University.

Elaina featured on the Wittenberg University website at <http://www5.wittenberg.edu/academics/music/whywitt.html>:

### Elaina Vimmerstedt, Class of 2016

I am from Grandview Heights, Ohio, a suburb of Columbus. I went to Grandview Heights High School, where I was able to participate in many wonderful musical groups both through my school and community. Through my school, I participated in concert band and marching band for four years. I participated in jazz band and

Grandview Singers, our high school's varsity choral ensemble, for three years. I also played in the pit orchestra for our annual musicals for three years. Through the incredible music community in Columbus, I was able to take voice lessons for four years, play in the Columbus Youth Symphonic Band for one season, and play with my band Sweet Basil at various venues around the city.

Why Witt? There were many factors that helped me decide that Witt was the right school for me. For one, my audition here was the best audition experience that I had ever had. For students who are going through the audition process, it is well known how nerve-racking this experience can be. The professors who heard my audition were warm and welcoming, and I even got to do a trial lesson with one of the music faculty members after my audition. I also sat in on a choir rehearsal near the end of my senior year, and I was pleasantly surprised at how easily I could picture myself singing in that group as a student at Witt. Last, but certainly not least, I fell in love with the beautiful

campus and the rich heritage Wittenberg has to offer.

What next? As far as plans after graduation go, it is still a bit early to tell...but I have a few ideas. After I have graduated, I may go to graduate school to acquire a masters in music education, or begin to use my undergraduate degree in music education right away and start teaching. In the distant future, I would love to earn a doctorate. Most of my childhood idols had doctorates, and it has always been a goal of mine to become "Dr. Vimmerstedt."

## A Found Treasure Box

Middle school secretary Judy Haunstein recently received a call from Leo Magalhes in Florida. Leo had lived in his home for 29 years and was cleaning out his home preparing to move. He came across a box that belonged to the previous owner, William "Tink" Taylor '49. Items inside the box included awards from Robert Louis Stevenson Elementary School and GHHS, some photographs and his grandfather's Purple Heart.

With help from Board of Education Secretary Sandy Kipp, Judy decided to make it her mission to find the Taylor family and return the box. The women found Tink alive and well and still living near his old home. Judy shared the information about the treasure box and Leo's phone number. Thirty minutes later, an excited Leo called and said, "Judy! I have good news! I got a call from Mr. Taylor's family and we're making arrangements for them to pick up his treasure box."

Grandview school employees are truly dedicated to the students of today and finding the rightful owners of yesterday's mementos. We tip our hats to Leo, Judy and Sandy and the Bobcat spirit.

Dear Bobcat Alumni:

The holiday season always reminds me of how much we have to be thankful for at Grandview Heights High School and we continue to be proud of our students' talent, accomplishments, generosity and service in their community.

There are numerous points of pride from the last few months. We are tied with seven other Ohio schools for highest ACT mean score in the state and we have the third highest mean SAT score. Senior Cristina Pinney presented the AT&T "It Can Wait" campaign to the student body in October reminding us all not to text while driving. Take the Pledge! And congratulations to eight of our students who were selected to the OCC Honor Choir and performed at Otterbein University in November.

The 2012 Fall sports season officially ended when the boys and girls cross country teams competed in the state final meet. Luke Evans lead the boys with a school record and earned first team All-Ohio status. Boys and girls soccer ended their season as District runner-up. The boys won the MSL finishing 15-2-2. The girls were third in the MSL finishing 15-3-2. The golf team finished 11-7 and Adam Cincione qualified for the district golf tournament. Football finished 5-5, tennis 11-5 and volleyball 6-13. Cheerleaders were a constant positive force motivating our Bobcats and the Pride of the Bobcats - our awesome band - brought outstanding sound and inspiration to many events.

As we move into a new calendar year, I reflect on what a strong school community we have and how fortunate we are to work together positively impacting the lives of our students! Thank you for all your support.

With Bobcat Pride,

*Dawn Sayre*

GHHS Principal

# Legacy Society

The newly-formed GHHS Legacy Society is off and running! Charlie Eichhorn '51 enrolled in the Legacy Society immediately upon receipt of the informational mailing. He named the GHHSAA as a beneficiary of his estate saying, "I believe strongly in my Grandview roots. I think it shaped our Midwest values which I have come to appreciate more as we get older. We learned to get along with and understand diverse ethnic groups. We also got an education that's hard to find today."

Charlie believes that by supporting the GHHSAA through his estate planning, he and others who join him will help current and future Grandview students acquire the values and education for which he is most grateful. Please consider joining Charlie in the GHHS Legacy Society. Details are available from any member of the GHHSAA board.

Thank you, Charlie, for believing in paying back through the stewardship of the GHHSAA.

## A Found Class Ring

Indiana residents Becky and Ray Bateman are not GHHS alumni, but they sure have Bobcat spirit!

Ray's mom, Gloria, passed away recently. As the family sorted through her belongings, they came across four large jewelry boxes filled to the brim. Becky saw a class ring in the mix and wondered where it came from. Using a magnifying glass, they were able to discern "Grandview" and some sort of cat in the center of the ring. An Internet search turned up the Grandview Bobcats.

Hoping to find the original owner, the Batemans contacted the GHHSAA for assistance. The ring is believed to have belonged to Karen Engdahl '64.

How did a ring from central Ohio end up in the jewelry box of an 81-year old Indiana woman? It's a mystery, but Gloria did a little bit of metal detecting in her day and she was an avid thrifter, so perhaps the ring was a treasure found along the way.

Karen passed away in the 80's and left no children behind, so the Batemans will keep the ring as a treasured memento and reminder of making new friends in Bobcat country.
