How to Create an Account on MyEvent

Getting started on MyEvent is quick and easy. Follow the steps below to create your account and start building your website.

Step 1: Go to the Login page

On the MyEvent homepage, click **Login** in the top-right corner of the screen.

Step 2: Choose how you want to sign in

The screenshot shows the 'Login' page of MyEvent. At the top, the word 'Login' is centered. Below it are two large buttons: 'Login with Facebook' (blue) and 'Login with Google' (red). A small text line reads 'We will never post without your permission.' followed by 'or'. Below this is the text 'Login with your email & password'. There are two input fields: 'Email address' with the placeholder 'your@email.com' and 'Password' with a masked password '.....'. A 'Remember Me' checkbox is below the email field. A small text line reads 'This form is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply.' Below the inputs is a blue 'Login' button with a right arrow icon. Below the button is a link 'Forgot Password'. Below that is the text 'Don't have an account?'. At the bottom is an orange 'Get started' button with a right arrow icon. A small text line at the very bottom reads 'By signing up, you agree to our Terms of Service and Privacy Policy.'

- **Already have an account?** Simply enter your login details to sign in.
- **Forgot your password?** Click **Forgot password** and follow the instructions to reset it.
- **New to MyEvent?** Click **Get Started** to create a new account.

- You can also sign up or log in using **Google** or **Facebook** for a faster setup.

Step 3: Start creating your website

Once logged in, you'll be able to create and manage your MyEvent website right away.
