## How to Create an Account on MyEvent

Getting started on MyEvent is quick and easy. Follow the steps below to create your account and start building your website.

### Step 1: Go to the Login page

On the MyEvent homepage, click **Login** in the top-right corner of the screen.

### Step 2: Choose how you want to sign in

The screenshot shows the MyEvent login interface. At the top, the word "Login" is centered. Below it are two large buttons: a blue "Login with Facebook" button and a red "Login with Google" button. A small text line below the Google button reads "We will never post without your permission." Below this is a horizontal line with "or" in the center. Underneath is the text "Login with your email & password". There are two input fields: "Email address" with the placeholder "your@email.com" and "Password" with a masked password "....." and an eye icon. Below the password field is a "Remember Me" checkbox. A small text line below the checkbox reads "This form is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply." Below this is a blue "Login" button with a right-pointing arrow icon. Underneath the button is a link for "Forgot Password". Below a horizontal line is the text "Don't have an account?". At the bottom is an orange "Get started" button with a play icon. At the very bottom, a small text line reads "By signing up, you agree to our Terms of Service and Privacy Policy."

- **Already have an account?** Simply enter your login details to sign in.

- **Forgot your password?** Click **Forgot password** and follow the instructions to reset it.
- **New to MyEvent?** Click **Get Started** to create a new account.
- You can also sign up or log in using **Google** or **Facebook** for a faster setup.

### **Step 3: Start creating your website**

Once logged in, you'll be able to create and manage your MyEvent website right away.
