If you’re organizing a class or family reunion, or any sort of event or fundraiser, you need a full website to help you manage registrations, engage attendees, and showcase memories.

MyEvent's **Premium Package** includes everything you need while balancing features and affordability. The Premium package gives you a full blown, multi-page, customizeable, branded website. You get access to almost all the features offered by MyEvent. The specific list of features that are included can be seen on our pricing page.

The Premium package is ideal for almost any type of event or fundraiser.
