

BATTLE IS BACK WITH THAT 70's SHOW!!!

October 4, 2022 – After a two-year absence because of Covid-19, Battle is back with that 70's Show!!! The 2022 Donald Berman Maimonides Battle of the Bands presented by National Bank Private Banking 1859 will celebrate an incredible decade of unforgettable songs by ground-breaking entertainers featuring special guests Aretha Franklin and Stevie Wonder Tribute performers from "Legends in Concert". The two-night event will be held on December 6th and 7th, 2022 at MTelus.

Each band, four on each night, is made up of well-known Montreal entrepreneurs, lawyers and doctors who will take you on a musical journey that will have you walking down memory lane. R-E-S-P-E-C-T!!

Andy Nulman hosts the show, with lots of surprises along the way. This year, the ever-popular auction which features fantasy items such as tickets to Award shows, luxury trips and original artwork is online. Back by popular demand, Donald Berman Maimonides will be rolling out the red carpet for its sponsors and special guests with a cocktail reception in the Delmar VIP Lounge.

This year's event will raise monies to improve the days and months our residents have with us NOW!! We are calling this effort Project L'CHAIM. We want to provide our residents with the programs to bring life to their living. Two things we have learnt from Covid.

1. Loneliness is the biggest source of pain in long term care. Residents spent a great deal of time over the past three years isolated in their rooms. Therapeutic recreation and entertainment NOW is critical to restoring quality of life in long term care. 2. The cost of EVERYTHING has gone up dramatically. For example, an adapted bus to take residents on an outing used to cost \$400. Today it's \$900!! These are but very simple examples of what the Foundation provides our residents.

Don't miss out on the 2-night event Montrealers will be talking about all year long!!
