

ETHS CLASS OF 1988 35th REUNION INFORMATION

Our 35th Reunion has arrived and IT'S TIME! What a fantastic weekend to reminisce and reconnect. There will be some fun surprises throughout the weekend, but here is some information to help you know what to expect. This will also be posted on www.eths1988.com :

FRIDAY, JUNE 30 Firehouse Grill (750 Chicago Ave., Evanston, IL)

Check-in begins at 7 PM. We have the upstairs room reserved for the entire evening. When you arrive, please head up the stairs to check-in and receive your name tag and a drink ticket.

Those of you who were part of the early bird registration (prior to April 15), can pick up your t-shirt at a separate table. A cash bar will be available, and light finger food will be served until it runs out.

The evening ends when the restaurant closes at 11 PM. Space in the upstairs room is limited, so it is only for people who registered in advance. The remainder of the restaurant, including the patio area, is open to the public.

SATURDAY, JULY 1 Hilton Garden Inn (1818 Maple Ave., Evanston, IL)

Check-in begins at 7 PM. The event space reserved for us is straight back from the main entrance of the hotel. Please visit the check-in table to receive your name tag and a drink ticket. A cash bar will be available, and appetizers and finger food will be served.

The good times will last until Midnight, and you are encouraged to *"Dress How You Care To Impress"* (this is a Vinson Twins term). This event is for registered people only.

SUNDAY, JULY 2 Lovelace Park (2740 Gross Point Rd., Evanston, IL)

We have the pavilion at Lovelace Park reserved from 1 PM until 4 PM and classmates are encouraged to wear their reunion t-shirts and bring their families and outdoor games. Water, lemonade, and adult beverages will be provided, and people are encouraged to bring their own picnic with food to enjoy and share. The C&W Market Ice Cream Truck will be stopping by for those who want to purchase a treat!

OVERALL

Anyone who has photos from high school that they want included in the slideshow, please download them ASAP to <https://www.dropbox.com/request/7PQkaYuh4dFOU5dX8ln3>

There will not be an official photographer at any of the events. We sincerely hope that classmates will be willing to download photos they take throughout the weekend to a shared site that we will make available to all attendees following the reunion. The link to download photos will be shared at the events and via email after the weekend.

We are a small organizing committee that has done our best to plan and execute a fun weekend for everyone. Thank you to those of you who have contributed a sponsorship or have already volunteered to help during the weekend.

If you are able to volunteer even a brief amount of time please sign up for a time slot at [ETHS Class of '88: IT'S TIME to volunteer for the ETHS '88 Reunion \(signupgenius.com\)](https://signupgenius.com)

The committee members would like to enjoy as much time with our classmates as possible, so we hope others will be willing to jump in to assist in areas like check-in, set-up, clean-up, etc. as needed.

Parking is not included for any of the events, so please follow parking options and rules for each venue and the City of Evanston. We encourage all attendees to drink responsibly and arrange your transportation accordingly. We want to see everyone again at our 40th reunion!

We will see all you Wildkits soon!

Sincerely,

Reunion Committee

Peter Braithwaite
