

INTRODUCTION

Annually, The Senior Class has left a "Class Gift" to the school upon graduation. Traditionally, it had been either monetary, such as a contribution to the Stadium Fund, or material, such as a new audio system for the gymnasium. (This year's Class Gift, given in cooperation with the S.C.A.)

It is my belief that in addition to this gift, this class can make a more valuable contribution to the Senior Classes of the future: The Knowledge that they have gained throughout the year about many colleges and universities throughout the country. Altogether, members of this class will attend 210 colleges, in 40 different states, from Oregon to Massachusetts.

The value of a booklet of this type is obvious; there is no better source of information about a college than to talk with its students. I believe that I speak for the entire Senior Class in saying that we are eager to tell you about the schools that we have chosen to attend.
