FLEA MARKET FOOTPRINTS

After weeks of rummaging for hidden treasures in garage and attic, the Flea Market has come and gone. On Jan. 25th, Pine Grove was inundated with bargain hunters. And what bargains! Prices were ridiculously low. One lady even got a lamp for nothing. Now that's a low price! There was everything from longjohns to an automobile--everything but fleas.

We wish to thank the students, teachers and parents who contributed to the cause. Congratulations to Mr. Blouin and Mr. Kettwig who spurred their homeroom students to amass the most mountainous melange (see Mr. Comer for translation) of materials. Their two homerooms won the cash awards offered.

Special thanks go to the handful of student who spent all day pricing, tagging, carrying boxes, setting up tables, cleaning up, and who clerked during the sale.

A profit of \$620 was made on the sale.

Our next flea market is only two years away, so remember, "Don't chuck your junk!"
