Dear friends,

It's time for the 12<sup>th</sup> annual Wrap It Up Fashion Presentation and Luncheon on Tuesday, November 19<sup>th</sup> that benefits two very special programs made possible by CC Young! You may already know that CC Young opened its doors in 1922 to help Dallas seniors and today serves as a faith-based, non-profit organization that provides stellar residential options from independent living, assisted living, long-term care, and memory care. We want to make sure you know about two CC Young programs that help Dallas seniors in need that are funded by the Wrap It Up Luncheon:

- Benevolence is the principle on which CC Young was founded and it continues to guide us today, and the fund provides food, housing, medicine, nursing care and other life sustaining programs and services to those on campus who have outlived their financial income and assets.
- The CC Young Cares Program provides and distributes nutritious flash-frozen, heart healthy meals for seniors in need.

To raise funds for these two fantastic programs and to have a wonderful time in the process, the Wrap It Up Fashion Presentation and Luncheon at Northwood Club will begin at 10 am with a champagne reception and boutique shopping, followed by a fashion presentation from the incomparable duo of Betty Reiter and Jan Strimple. Betty and Jan will introduce the latest European fashions and colors for Spring 2025 designed for women who enjoy being stylish no matter what their age! A live auction follows with a seated lunch beginning at noon.

We hope you will arrive early for the 10 am reception to shop for one-of-a-kind gifts for your friends, family, and yourself! We appreciate you considering this opportunity to make a difference for Dallas seniors in need.
