

ARCA Zoom Meeting – November 22, 2023

Attendees: Sue, Dana, Jorgen, Stu, Brian, Bryan, Darcy, Keith, Jim, Gary, Tim and Doug.

Quorum – Yes

Minutes of Previous Meeting – Jorgen moved to accept the minutes as circulated. Brian second. Carried.

Race Dates – June 1, July 13-14, September 7 confirmed with RMM. Extended time still working on that. September 13-14 to be considered as a 1 day for RMM members. Hasn't talked to NASCC about their July date. Jorgen to chat with RMM about the extended time as a form of sponsorship. Still have a problem with their 2 July weekends.

RMM Contract – Jorgen will send the contract to the board after this meeting.

Club Membership – Sue to open membership on MSR. Licensing to be open as well.

World of Wheels – Do we want to participate in this? Jorgen says yes but he can't help out. Doug says their date is now April 5-7. ARCA qualifies to have some funds paid by WCMA for this event. Turn 17 would also be involved.

Vintage group are planning to come out in force for this event.

Radical West approached me about running at the July 13-14 event. I spoke to him about licensing. We may have a problem with some of their people who don't have a recognized license. Need to set a threshold limit of cars for schedule. Need everyone registered by 2 weeks prior to the event in order have their own run group. What carrot can we offer – all pit together.

RMM – nothing yet – might hear something by February.

Next meeting – January 17, 8 pm. Sue to ask Andy to set up zoom meeting.

RUSH Days – Dana has 4 dates but with confirm with Steven before submitting. Need to have a meeting with all interested parties in January. Dave W has some interesting ideas about more people on the Rush days.

Motorsport Historical Society – Going well. Moving forward fast with Western Canada.

Meeting with Stu, Jorgan, Doug and Sue. Discussion about the Rush Day closed wheel racers. Some discussion regarding the non-contact rule. Discussion about the upcoming zoom meeting regarding a driving school.
